Other:

Thank you for ordering your Lidget Compton building.
 Your order acknowledgement pack will be sent shortly that includes a Help the Driver & Delivery Report form. Please check to see that we have correctly understood your order.

WINDOWS: 2' PVCu White Opening
 4' Rosewood Fixed
 Golden Oak

IMPORTANT:
 Delivery Periods can vary. The current period takes effect from receipt of the full balance of payment and a completed Help the Driver form at Thurnscoe. If delivery times are critical, please let us know and we will do our best to accommodate you. On receipt of the above, we will advise you of the week commencing date for delivery, towards the end of the week before, we will write and tell you which day we will deliver, who will build your building and when.
 Your building will require a Concrete Base, 152mm (6") longer and wider than the external dimensions of the building. It should be perfectly flat, level and square, built with a depth to suit local soil conditions.
